

# We'll Help You Grow

If growing your membership is a priority for your professional body then you are not alone!\*

Findings from a recent survey carried out on behalf of the **Scottish Qualifications Authority (SQA)**, a national awarding organisation, found just that.

## PROFESSIONAL EDUCATION SERVICES

SQA offers a variety of professional services tailored to your needs, which can allow you to focus on your key activities in supporting members and representing your industry.

\*Taken from research findings carried out on the professional bodies market by Stratagica for SQA. Ask our staff today for a free copy of the executive summary findings of this research.

# SQA – Your trusted partner

## Who we are

SQA offers advice, innovation, design expertise and delivery capability in a host of key areas. This includes professional standards, assessment, quality assurance, certification and qualifications. In addition, our customised awards service will enable you to develop qualifications that are tailored to your needs.

## Our services

We can offer advice on a consultation basis only or we can support you in both the design and delivery of a programme of services which best supports your organisation's goals.

## Our support

Whether you are driven by cost challenges, resource constraints, legislative burdens or just the desire to change and innovate, our subject-matter experts can guide you towards a solution that supports you towards real progress and success.

## Helping you grow

SQA customers benefit from our wide-ranging knowledge and experience allowing them to focus on their core business objectives. Regardless of what those core objectives may be, a partnership with SQA allows our customers to demonstrate a commitment to quality and have confidence that they are working with an internationally recognised and respected organisation.
