

Unit Specification

Unit: Licensing for Personal Licence Holders– SCQF Level 6

Code: H49M 04

What are the Alcohol Licensing Qualifications?

These are Scotland's standards, based on the training framework drawn up by the National Licensing Forum and amended in 2013. The qualifications are for those involved in the sale of alcohol in both on-sales and off-sales environments. They have been developed to make sure that to comply with Licensing (Scotland) Act 2005 and the Alcohol etc. (Scotland) Act 2010, all training covers three key areas.

The key areas are:

- Introduction to licensing
- Responsible operation of licensed premises
- Effect of irresponsible operation on society and health

These standards are necessary because of changes in the law which makes them part of the licensed trade's responsibility – i.e. a regulatory requirement – to help keep Scotland safer and healthier.

Employers will look for the relevant qualifications when they are appointing new staff for the licensed trade. They also expect their existing staff to have these qualifications.

Understanding and applying skills in these key areas are important because they help you work effectively in your present job and also prepare you for jobs within the sector that you may do in future. Developing your knowledge of the licensing legislation helps you deal with today's rapidly changing world and improve your career prospects. That's also why employers value them.

What is this Alcohol Licensing Unit about?

This Unit is about showing you understand how the licensing process works in Scotland, how people employed within the licensed trade can work responsibly and the consequences of this if they don't. The Unit forms the Scottish Certificate for Personal License Holders Group Award.

Your tutor will explain anything in this Unit that you do not understand.

What should I know or be able to do before I start?

You should be able to show that you have some knowledge and or experience of the licensed on-sales or off-sales trade in Scotland - for example, by working or through prior study.

What do I need to do?

You will need to show that you understand the law relating to the role of a Personal Licence Holder in Scotland, as specified within the Licensing (Scotland) Act 2005 and the Alcohol etc. (Scotland) Act 2010.

You will need a qualification to support an application for a personal licence.

How do I get this Unit?

You will complete a 40 question multiple-choice examination. You must get at least 28 questions correct (70%) to achieve this Unit.

What might this involve?

Pre course study

Attendance at a one day (minimum 6 hour) training course or completion of an online training programme approved by an awarding body

What can I do next?

You could move on to further study towards Level 3 S/NVQ in Hospitality Supervision, a Higher National Certificate or Diploma or an appropriate degree course. Your tutor can advise you about this.

Guidance for tutors

This Unit is supported by a comprehensive handbook for candidates, which should be issued with guidance on prior study before they attend a course.

National Standards - Personal Licence Holders

Introduction

To be eligible for a personal licence under the Licensing (Scotland) Act 2005 an applicant must hold the Scottish Certificate for Personal Licence Holders. The training certificate in itself does not constitute a personal licence. Once the certificate has been attained, the applicant must include this in their application for a licence to their local Licensing Board.

All training to meet the requirements of the Licensing (Scotland) Act 2005 should include three key areas:

1. Introduction to licensing
2. Responsible operation of licensed premises
3. Effect of irresponsible operation on society and health

The framework also provides an overview of the topics that should be covered by any generic training programme. As recommended by the framework, this specification is based on these topics but has been adapted and supplemented by topics specific to the Personal Licence Holder's role.

Timescale

The training delivery schedule should take a minimum of 6 hours. Assessment should take no more than one hour. Candidate preparation and reading time is in addition to this. For the purposes of the Scottish Credit and Qualifications Framework (SCQF) this represents a total of 10 notional learning hours.

Assessment

The SCPLH qualification must be assessed by way of a 40 question multiple-choice paper¹. Assessment weighting for the topics covered in this specification are included in the appendix at the end of this document.

Delivery and Assessment Strategy

The delivery and assessment of the SCPLH qualification is governed by the Delivery and Assessment Strategy specified by People 1st. The Strategy is available without charge from People 1st (www.People1st.co.uk).
