

Areas of potential duplication in 'Practical Training Activities'.

WALL & FLOOR TILING.

Training Activity	PDA/TAPs
Training activities within this unit are replicated. But are essential in other Units	Setting out for Tiling
Not all tiling training activities need to be finished and grouted, once students are consistently achieving standards in other units. N.B. All assessments must be finished and grouted.	As per individual student needs.
Repair and restoration encompassed in other units.	As per individual student needs
