

# Construction Craft Quality Network. Friday 14 June 2013

## Workshop No 1.

### Associated Subjects ( Generic Units in a Single TAP)

**Time. 45 minutes**

In you craft groups discuss the following and agree a collective response.  
Appoint a chairperson a scribe and someone to report back to the meeting.

Craft Area \_\_\_\_\_Plastering\_\_\_\_\_

**Instructions** :- The Associated Subjects TAP requires students to :-

#### 1 Identify craft scientific principles.

List these craft scientific principles which are taught or assessed throughout the TAPs for your Craft PDA in the table below. The TAP assessment requires a minimum of **four** scientific principles required for each craft.

Number	Scientific Principle	Evidence Source. Reference the TAP which will cover this.
1	Absorption	Screeds
2	Silt Test	External Finishes
3	Efflorescence Test	External Repairs
4	Capillary Test	Lightweight Plasters
5	Slump test	Floor Screeding

#### 2 Interpret and/or produce occupational construction sketches and/or drawings throughout the relevant Craft PDA

List the drawings or sketches which are covered in the TAPs for you occupational area in the table below. However a minimum of **three** sketches or drawings required.

Number	Drawing / Sketch	Evidence Source. Reference the TAP which will cover this.
1	In-Situ Cornice	Running In-Situ Cornice
2	Isometric View Bellcast Bead	External finishes
3	Cornice/Drawing Sections	Running & Fixing Fibrous Casts

**3 Identify craft processes used to increase insulation and reduce carbon emissions.**

List the craft construction practices used to increase insulation or reduce carbon emissions which are taught or assessed in your PDA Craft TAPs. Each occupational area, however must cover a minimum of **two** construction practices.

<b>Number</b>	<b>Practice to increase insulation or reduce carbon emissions.</b>	<b>Evidence Source. Reference the TAP which will cover this.</b>
1	Plaster Board & Coving	Standards/Recycling Material

Please note.

The group scribe will need to leave a completed workshop paper for your craft with the presenter.
