Electronic file security

The electronic files (e-files) are confidential and must be subject to the same level of security as the coursework assessment task. They must now be downloaded and saved in a secure location that cannot be accessed by candidates or unauthorised staff.

The e-files must remain confidential until the assessment takes place. When not in use, you must keep the e-files secure until after the assignment uplift date.

On the day of the assessment

Before candidates start the assignment, an authorised member of staff should save the following e-files in a designated folder and ensure that the e-files open correctly. This must be done in the presence of an invigilator and no earlier than 60 minutes before the start time of the assessment.

E-files for the Higher Accounting Coursework Assessment Task

- ♦ **Task 2 File** – this is a spreadsheet file with **one** worksheet
- ♦ **Task 4 File** – this is a word-processing file

Note: e-file templates must not be amended.

New for 2020

Candidates must include their Scottish Candidate Number on all printouts and/or pages submitted.
