Answer all questions.

Use blue or black ink.

The skills of knowledge and understanding (KU) and analysis, evaluation and application (A,E,App) are being assessed in this paper. When answering each question you should note the number of marks allocated to each skill and use this information as a guide to the length and type of answers required.

Before leaving the examination room you must give this book to the Invigilator. If you do not you may lose all the marks for this paper.

* X 2 4 1 1 0 0 1 0 1 *

Section A—Sociology and Psychology

1. Describe what is meant by the term sociology.

2 KU

2. Describe **two** reasons why it is important for care workers to have a knowledge of psychology.

4 KU

3. Describe what is meant by the term multicultural society.

2 KU

Read the following case study and answer the questions that follow.

Brendan who is 26 years old, is due for release from prison after serving a 4 year sentence and is moving back into his community.

4. (a) Describe **two** ways in which Brendan's emotional development may be affected following his move back into the community.

4 AE

Following his release from prison Brendan is starting a new job as a gardener with a local employer.

- (b) Describe **one** way in which Brendan's social development may be affected by this life change.

2 App

[Turn over

5. In psychology, what is meant by the term “nurture” ?

2 KU

6. Childhood is one stage of human development. Describe **one** feature of physical development and **one** feature of cognitive development in childhood.

4 KU

Total (20)

Section B—Health and Safety

1. Describe **two** responsibilities an employee has in relation to current Health and Safety legislation.

4 KU

Please read the following case study and answer the questions that follow.

Mrs Green is 55 years old and has become increasingly confused. She has been found wandering outside late at night in her pyjamas and, as a result, has been admitted to the local hospital for an assessment.

The named nurse responsible for her care has been called away to attend to another patient.

2. (a) Describe what is meant by the term risk.

2 KU

[Turn over

2. (continued)

- (b) From the case study give **one** example of a risk from Mrs Green’s home and **one** example of a risk from the hospital.

2 App

The named nurse hears Mrs Green shout. When he arrives at her bedside he notices that she is lying on the floor with her leg at an awkward angle.

3. Select the correct first aid actions the nurse should take from the following list by ticking (✓) the correct actions.

	Tick (✓)
Assess the situation	
Place Mrs Green in the recovery position	
Ensure Mrs Green does not move	
Reassure Mrs Green	
Move Mrs Green back into her bed	
Call for help	

4 KU

4. Describe **two** responsibilities the employer has to prevent the situation in the case study happening again.

4 App

5. In a first aid situation what is the treatment for a sprained ankle?

4 KU

Total (20)

[Turn over for Section C on *Page eight*

Section C—Values and Principles

1. Describe what is meant by the term discrimination.

2 KU

2. Read the following statements and identify if they are an example of stereotyping, prejudice or discrimination.

Not interviewing an applicant for a job because they have been in prison.	
All people who have mental health problems are dangerous and unpredictable.	
Assuming a person who uses a wheelchair cannot study a care course at college.	

3 KU

3. State **three** possible effects of discrimination.

3 KU

4. Two of the principles underpinning the National Care Standards are dignity and realising potential. Give a definition of each of these terms.

4 KU

Read the case study and answer the questions that follow.

Jorgo is a 15 year old boy living with his dad. His dad has recently had a stroke and Jorgo acts as his main carer. His dad is happy for Jorgo to be his only carer, however, Jorgo is finding it very difficult to keep up with his school work and is getting into trouble with his teacher for being late and missing some classes.

5. Explain **one** social need and **one** cognitive need that Jorgo has.

2 App
2 KU

The teacher has referred Jorgo to the school counsellor and they have organised, through social services, for his father to attend a day care centre three days per week.

6. (a) Identify **two** qualities a care worker would require to support Jorgo's father.

2 App

(b) Explain how **one** of these qualities could be applied by a care worker at the day care centre.

2 App/AE
