Health and Food Technology Assignment

For session 2013/2014 the following briefs were available as the basis for the assignment:

- ◆ The café in a sports centre wants to encourage healthier eating. Develop a food product suitable for inclusion in the café menu.
- ◆ A farmers' market is to be held regularly in your area. Develop a baked product that includes local produce to sell at the market.

The coursework assessment task can be found on the SQA Secure website.
