- 1 There are **three** Sections in this paper.
- 2 Candidates should answer **both** questions from Section A, **all** parts of Section B, and **two** questions from Section C.
- 3 You may use sketches and diagrams to illustrate your answers.
- 4 All answers are to be written in this answer book. If there is not enough space for you to complete your answer to any question, additional space for answers will be found at the back of this answer book.
If you use the additional space at the end of the answer book for answering any questions, you **must** write the correct question number beside each answer.
- 5 Before leaving the examination room you must give this book to the Invigilator. If you do not, you may lose all the marks for this paper.

Use **blue** or **black** ink. Pencil may be used for sketches and diagrams only.
