Health and Food Technology Assignment

For session 2014/2015 the following briefs were available as the basis for the assignment:

- A business that provides themed party items wants to extend their range to include food for children's parties. You have been asked to develop a themed savoury food product suitable for their range.
- A supermarket wants to develop a range of food products that may help to reduce the risk of Anaemia. You have been asked to develop a product that is suitable for this range.

The coursework assessment task can be found on the SQA Secure website.
