Instructions for candidates

This assessment applies to the assignment for Higher Administration and IT. This assignment is worth 70 marks. The marks contribute 70% of the overall marks for the Course assessment. The Course will be graded A-D.

It assesses the following skills, knowledge and understanding:

- ◆ use of complex IT functions in word processing, spreadsheets, databases, desktop publishing, and presentation software to produce, process and manage information and solve problems in unfamiliar contexts
- ◆ skills in electronic research to source complex information
- ◆ skills in effective communication, taking account of its context, purpose and audience
- ◆ skills in administration relevant to planning and organising in order to complete the assignment
- ◆ skills in problem-solving

In this assessment, you will:

- ◆ work through a series of tasks which will test the skills, knowledge and understanding listed above
- ◆ complete the tasks in the order presented
- ◆ be allowed two hours to complete the assignment

The assessment will be carried out under controlled conditions.

Make sure your name is clearly identified on each printout submitted.

Assignment Task

You work as an Administrative Assistant for Sean Burns, who is the Managing Director of Twelvetrees. Twelvetrees currently operate two holiday parks in Oban and Fort William which specialise in glamping. Customers have a range of choices in terms of accommodation and facilities at the parks. Some of the accommodation is privately owned and rented out by Twelvetrees on behalf of the owners.

The company is also in the process of opening a third park in Gairloch and this will be one of the main points to be discussed at the company's Annual General Meeting which is to be held in May 2017.

Your task is to complete some administrative tasks in preparation for the forthcoming AGM.

The tasks are listed below. You could use this as a to-do list and tick off each task as you complete it.

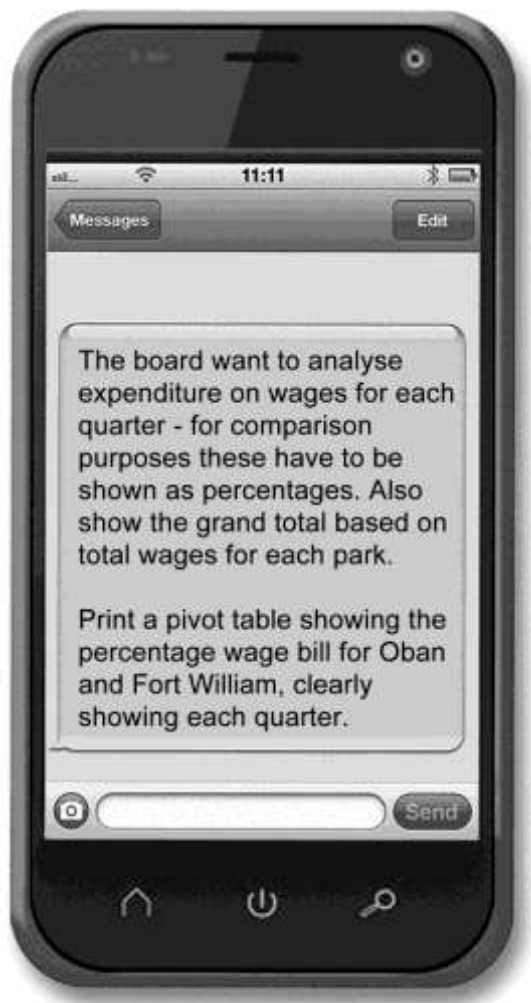

Create a form showing the customer details with a sub-form showing all their bookings.

Mrs Sutherland has sent in the booking form below – input all of this information into a form.

Print a copy of the form for Mrs Sutherland, only include all fields from the booking form below and a booking ID (this will be automatically generated).

Message from Sean Burns

Mrs Mason and her partner would like to book accommodation for 5 nights this summer. She has a budget of £500 in total. They will be accompanied by their 3 children who will make extensive use of the site's leisure facilities and hence the Mason's would like this to be included with the accommodation. The family enjoy cooking outdoors and so require the use of a barbecue.

Print a copy of the accommodation available to Mrs Mason. Include the name of the accommodation, the number of people the accommodation sleeps, price per night, facilities and the type.

Some of the accommodation on our site is privately owned. Twelvetrees takes bookings on behalf of these owners and charges a 10% fee per booking. Calculate the value of each booking made and the amount private owners receive from Twelvetrees after fees have been deducted.

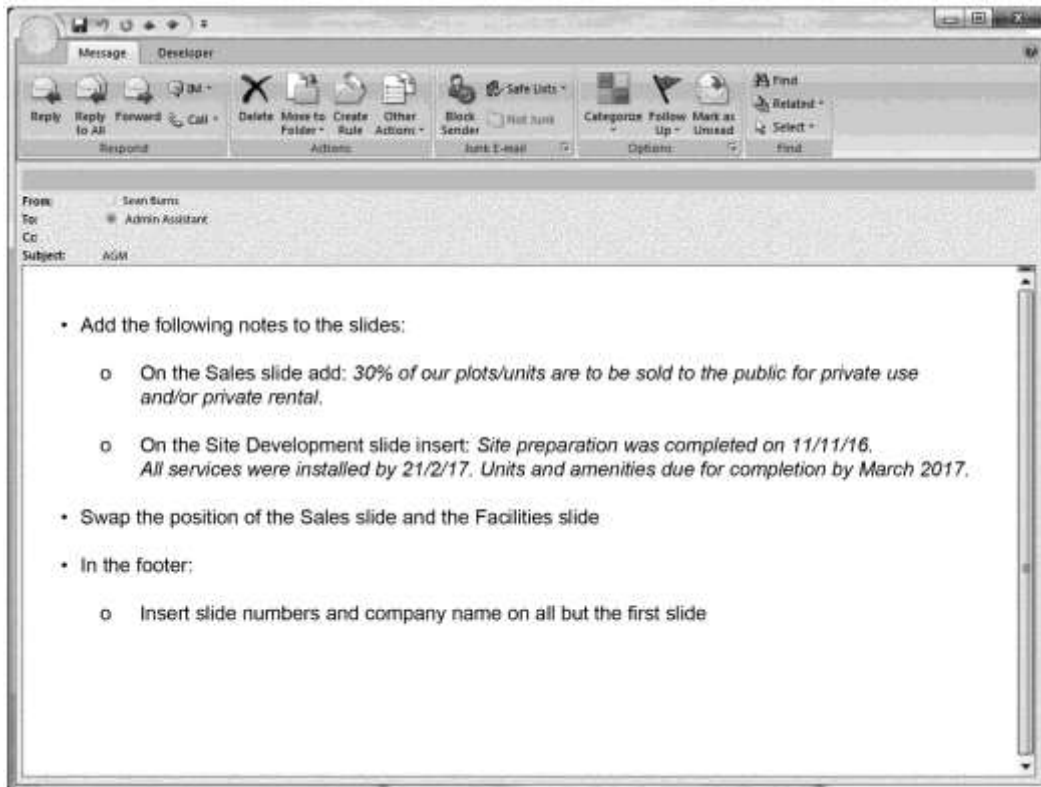

Show this information in a report grouped by owner and sort by accommodation name. The total amount due to each owner and the overall amount due should be labelled appropriately. The report should have a relevant title that reflects the content and include the company logo at the top right hand side.

I have been working on the figures for the sales of the new development for the AGM. I require you to complete the worksheets using the following information:

- Calculate the number and value of each type of accommodation. Print this worksheet in both value and formulae view.
- All customers are required to pay a 10% deposit at the time of purchase.
- Customers were given a number of Payment Options to help to spread the cost of their purchase. Interest will be charged on the Payment Options as follows:
 - o Option 3 (Pay over 10 years) – 20%
 - o Option 2 (Pay over 5 years) – 10%
 - o Option 1 (Pay over 2 years) – 5%

Print a copy of the worksheet, on one page omitting the Accommodation Type and Sleeps columns. I will require value and formulae view.

Please find attached a presentation about our new holiday park called Strathbay near Gairloch. The presentation will be shown at our AGM but requires some changes to be made first. Please update the presentation using the information below as well as the comments in the file. These comments should be deleted once actioned.

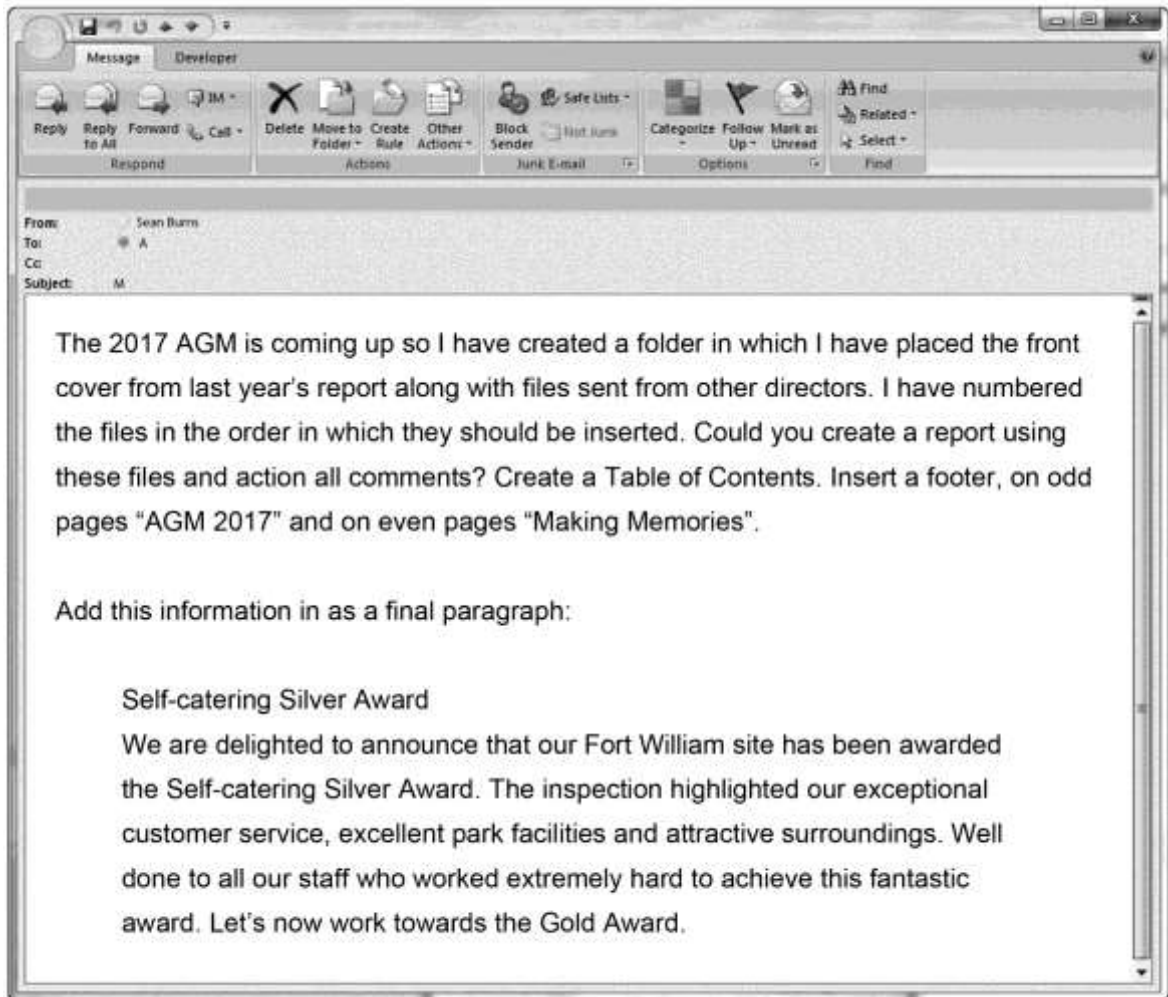

Print:

- a copy of the full presentation showing the notes
- a full page copy of the Location slide

Use the information from the group chat to enter the date and time into an ediyary. Print in weekly view.

Print the completed document as an A5 booklet.
