## Attempt ALL questions

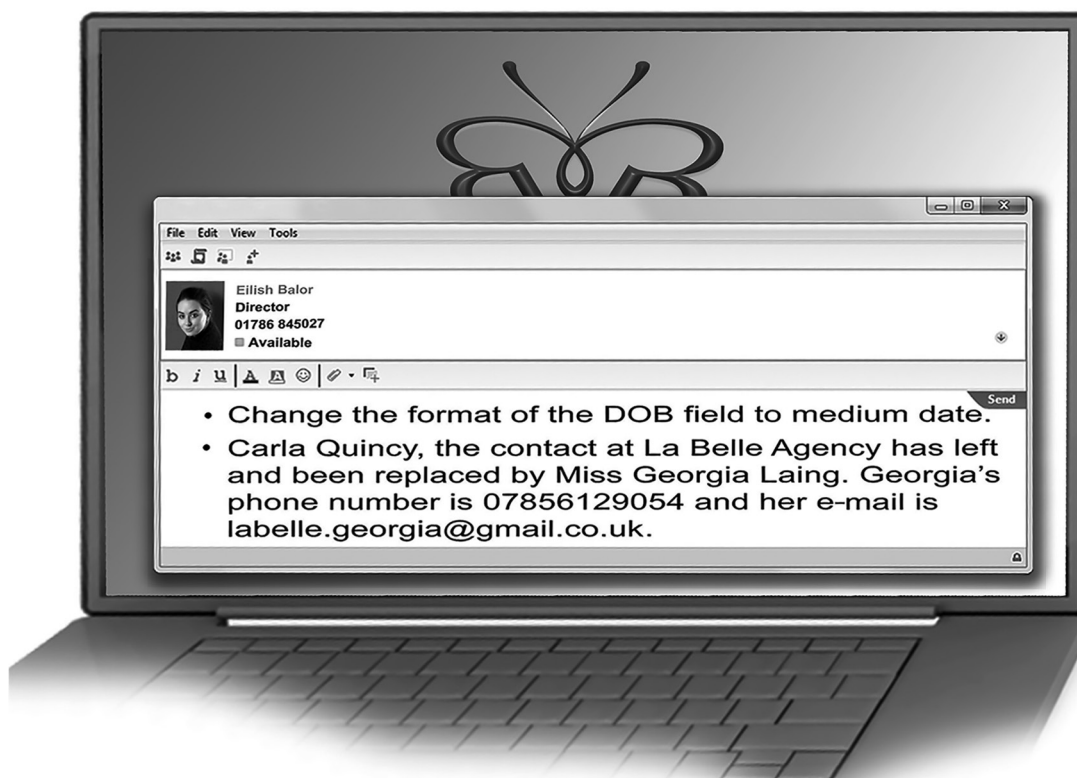

You are the Admin Assistant at By Balor — a small fashion studio based in Stirling. The studio is run by sisters Eilish and Eleanor Balor.

The studio is preparing to take part in fashion shows in Milan, Italy, this summer.

Complete the following questions to prepare for the fashion shows.

1. (a) The database file **Milan** contains the names of the models and agency details. Update the database using the information below.
- Print a table showing the models at La Belle Agency. Include only the model's name and date of birth, along with contact name, e-mail address and phone number for the agency.

4

## 1. (continued)

- (b) Create a form showing **all** fields from the **Models** table, plus agency name, contact name and e-mail only from the **Model Agencies** table. Use the information below to update the database. Print a copy of Nuala's form.

4

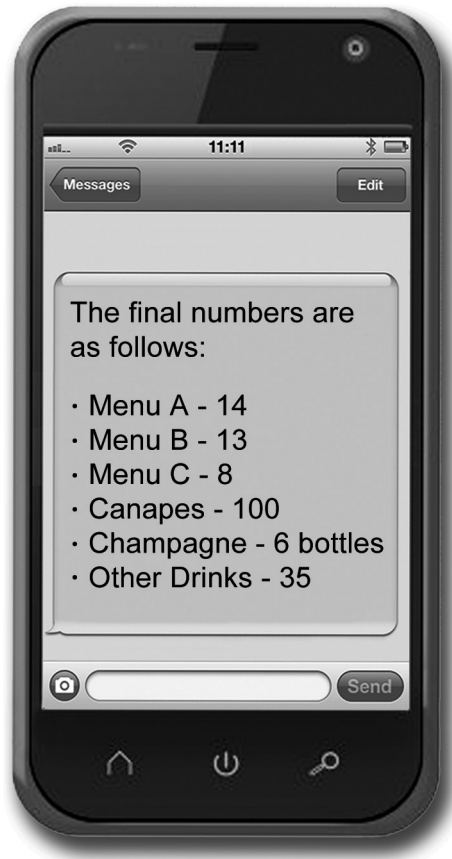

- (c) Packs have to be sent to each of our contacts at the model agencies. Prepare address labels for each contact at each agency. Insert the text MILAN 2018 at the bottom of every label. Sort in order of agency name. Print the first page of the labels only.

3

- (d) Search for a list of all models born before 1993, except those represented by DP Model Agency. These models will take part in a photoshoot for Graziella magazine.
- Print the results as a report showing only model name, date of birth and agency name, in that order. Sort in alphabetical order of agency name and model's name.
- Insert a suitable heading — our logo should appear at the top right-hand side.

7

2. (a) By Balor is hosting a Champagne Reception and Finale Dinner which will take place on the last evening. The order form has to be completed. Open the spreadsheet file **Finale Dinner** and complete both worksheets.
- (i) Print one copy of the **Price List** worksheet in value view, with gridlines only, and one copy in formula view, with gridlines, and row and column headings. 2
- (ii) Print one copy of the **Order Form** worksheet in value view, with gridlines only, and one copy in formula view, with gridlines, and row and column headings. 15

- (b) Create a pie chart to show the percentage cost of each item for the Finale Dinner. Include labels on each segment and insert an appropriate heading. Print the chart on a separate sheet. 4

3. Open the file **Milan Procedures** and use the information below to complete it.  
Print a copy.

11

**Part A**

Staff need to be reminded that when in Milan our health and safety procedures and security measures must still be followed.

**Outline 3 responsibilities By Balor has for any 2 of the following health and safety regulations:**

1. Health and Safety at Work Act
2. Health and Safety (First Aid) Regulations
3. Health and Safety — Fire Precautions
4. Health and Safety (Display Screen Equipment) Regulations

You must insert the name of the regulation you have chosen in the top box of the table in the e-file.

**Part B**

Organisations have a responsibility to ensure the security of people and property.

In the e-file, **explain 5** other ways By Balor can ensure the security of people and property.

<b>Example</b>	The organisation should keep a list of all equipment including serial numbers which will allow it to be identified.

## Information and instructions for teachers and lecturers

Prior to candidates starting the question paper, teachers and lecturers should ensure that the following e-files have been downloaded and are available for candidates to use during the exam:

- **Finale Dinner** — this is a spreadsheet file
- **Logo** — this is a jpeg file
- **Milan** — this is a database file containing 2 tables (also provided as files exported to Excel format to be used if required – Model Agencies and Models).

Primary key — Model Agencies Table, Contact Ref No.

A one to many relationship should be set up from the Model Agencies Table to Models Table using the Contact Ref No field.

- **Milan Procedures** — this is a word-processing file
