8 Identify and describe two pieces of current legislation related to health wellbeing and safeguarding	K1,2,6,32,33 K34 31Pc26,27,32,37 301Pc27,33,38 23Pc 20,21,36
9 Describe and evaluate two examples of risk enablement which promote individual's rights	
<b>Assessor notes</b>	No account has been made for any performance evidence claims in relation to the candidates 'Optional Units' (ie 328). However, considerable amounts of evidence would also be available  Depending on the service user used for the Case Study, other NOS-Specific Knowledge claims can be made. For example, if you were working with an older adult with mobility problems, the K 33 in relation to taking account of national and local guidance on falls prevention may easily be met.
