Course reports

Please read the annual course reports for Music Technology. We produce these reports following the exam diet and they provide information on how candidates performed in course assessment for National Qualifications.

Course reports include a summary of areas candidates performed well in and areas candidates found demanding. They also contain advice on preparing candidates for future assessment, and statistical data relating to grade boundaries. Course reports are available from the subject pages of our website at www.sqa.org.uk/nqsubjects.
