

FSPAMFPI01

Provide an administrative service for mortgage and/or financial planning clients

Overview

You must be able to deal with clients as well as internal colleagues, whether you are responding to straightforward requests or seeking new information. You must be able to collate the necessary information so that appropriate mortgage and/or financial planning solutions can be discussed, and prepare internal documents for use by the financial planner or mortgage adviser. You must be able to monitor the flow of business, maintain the financial planner's or mortgage adviser's diary and contribute to efficient general office administration duties. You will need to be organised and systematic in the approach to your work and keep up-to-date with the information needs of colleagues.

FSPAMFPI01

Provide an administrative service for mortgage and/or financial planning clients

Performance criteria

- You must be able to:*
- P1 Deal with straightforward requests for information received from clients, as well as internal colleagues, within your authority
 - P2 Identify requests for information about financial products and services which you are not authorised to deal with, and pass these to the appropriate person
 - P3 Refer issues that are outside of your area of responsibility to appropriate colleagues
 - P4 Collate the information required for the preparation of quotations and illustrations
 - P5 Obtain quotations and illustrations within the limits of your authority, to meet the client's needs and comply with your organisation's requirements
 - P6 Where further information is required, pass on full details to the relevant person for action
 - P7 Prepare all necessary information to assist the financial planner or mortgage adviser for a client meeting
 - P8 Prepare information for the attention of the client which is clear, accurate and relevant to their needs
 - P9 Monitor the flow of business and take appropriate action in respect of items outstanding
 - P10 Maintain the financial planner's or mortgage adviser's diary and make appointments with clients where required
 - P11 Ensure that you efficiently contribute to general office administration duties
 - P12 Maintain accurate and up-to-date records in line with your organisation's requirements
 - P13 You comply with legal requirements, industry regulations, ethical standards, organisational policies and professional codes

FSPAMFPI01

Provide an administrative service for mortgage and/or financial planning clients

Knowledge and understanding

You need to know and understand:

- K1 Your organisation's procedures for dealing with new business
- K2 The limits of your authority and the products and services you are authorised to discuss
- K3 Information required for the preparation of straightforward quotations
- K4 How to obtain straightforward quotations and illustrations
- K5 The actions that need to be taken where further information is required
- K6 The types of documents and/or information required by the financial planner or mortgage adviser as part of a client meeting
- K7 Your organisation's procedures for monitoring the flow of business, and the actions you are required to take
- K8 The financial planner or mortgage adviser's appointment requirements, and how to arrange suitable appointments
- K9 Your organisation's office administration systems and procedures

FSPAMFPI04

Facilitate an administrative service for mortgage and/or financial planning clients

Overview

You must be able to deal with clients as well as internal colleagues, whether you are responding to complex requests or seeking new information. You must be able to collate the necessary information from the client so that appropriate mortgage and/or financial planning solutions can be discussed, and prepare documents for use by the financial planner or mortgage adviser. You must be able to use information about the flow of business in order to identify priorities for further action, validate the appointments in the financial planner's or mortgage adviser's diary and implement accurate office administration systems. You will need to be organised and systematic in the approach to your work and keep up-to-date with the information needs of colleagues and look for ways in which you can assist. You will also need to pay attention to details that are critical to your work.

FSPAMFPI04

Facilitate an administrative service for mortgage and/or financial planning clients

Performance criteria

- You must be able to:*
- P1 Deal with complex requests for information from clients, as well as internal colleagues, within your authority
 - P2 Identify requests for information about financial products and services which you are not authorised to deal with, and pass these to the appropriate person
 - P3 Collate information that is sufficient for the preparation of complex quotations and illustrations
 - P4 Obtain complex quotations and illustrations, within the limits of your authority, to meet the client's needs and that comply with your organisation's requirements
 - P5 Prepare all necessary information for use by the financial planner or mortgage adviser as part of a client meeting
 - P6 Prepare information for the attention of the client which is clear, accurate and relevant to their needs
 - P7 Monitor the flow of business and identify priorities for further action
 - P8 Monitor the quantity and quality of appointments in the financial planner or mortgage adviser's diary, and identify priorities for further action
 - P9 Implement and maintain accurate office administration systems
 - P10 Maintain accurate and up-to-date records in line with your organisation's requirements
 - P11 Confirm your understanding of current business priorities, by undertaking regular contact with the financial planner or mortgage adviser and appropriate colleagues
 - P12 Comply with legal requirements, industry regulations, ethical standards, organisational policies and professional codes

FSPAMFPI06

Complete reports for mortgage and/or financial planning clients

Overview

You must be able to accurately complete reports of a complex nature, and take a proactive approach to the preparation of valuations and suitability letters in line with the financial planner's or mortgage adviser's requirements. This involves establishing your areas of responsibility, followed by planning and identifying the relevant complex information to enable you to complete the report. You must be able to supplement the reports with supporting documents and literature, and ensure that client information is stored and retrieved in line with your organisation's requirements. You will need to be organised and systematic in the approach to your work and keep up-to-date with the information needs of colleagues and look for ways in which you can assist. You will also need to pay attention to details that are critical to your work.

FSPAMFPI06

Complete reports for mortgage and/or financial planning clients

Performance criteria

You must be able to:

- P1 Agree the contribution you will make to the preparation of the complete report with the financial planner or mortgage adviser
- P2 Plan and identify the complex information you will need for the report using appropriate and up-to-date sources
- P3 Identify the relevant content from the information that you have obtained to enable you to complete the report
- P4 Complete the report in line with your plan and your organisation's requirements
- P5 Supplement reports for clients with appropriate supporting documents and literature
- P6 Produce client valuations in line with the financial planner's or mortgage adviser's requirements
- P7 Ensure that the completed report or valuation is checked and authorised by the financial planner or mortgage adviser
- P8 Ensure that confidential records are stored and retrieved in line with your organisation's requirements
- P9 Comply with legal requirements, industry regulations, ethical standards, organisational policies and professional codes

FSPAMFPI06

Complete reports for mortgage and/or financial planning clients

Knowledge and understanding

You need to know and understand:

- K1 The types of mortgage and/or financial planning reports produced by your organisation
- K2 The types of information available to you for the report, and where to source this information
- K3 The importance of planning the report writing and identifying what information is required for the report itself and as supplementary evidence
- K4 Your organisation's systems and protocols for report writing
- K5 The types of supporting documents and literature that are required to accompany reports
- K6 How to prepare valuations, as required by your organisation

FSPAMFPI07

Supervise mortgage and/or financial planning administrative systems and processes

Overview

You must be able to supervise systems and processes that enable mortgage and/or financial planning administration to run efficiently, effectively and profitably. As with many other aspects of mortgage and/or financial planning, compliance is an important aspect of performance, and in this instance the supervisor is expected to ensure that the systems facilitate compliant administration. Problem solving is also important, as the supervisor is expected to investigate and resolve problems in relation to administrative systems and processes. The supervisor is also expected to recommend changes and improvements as part of ongoing review processes. You will also need to pay attention to details that are critical to your work.

FSPAMFPI07

Supervise mortgage and/or financial planning administrative systems and processes

Performance criteria

- You must be able to:*
- P1 Gather information about the applicability and efficiency of administrative systems from all relevant people
 - P2 Monitor administrative systems for their continual ability to facilitate effective work outputs and maintain client satisfaction
 - P3 Assess the understanding and competence of system users, and action development where necessary to rectify any shortfall
 - P4 Identify and resolve problem areas relating to administrative systems and processes
 - P5 Forewarn others promptly about problem areas when using specific systems
 - P6 Ensure that records of problems relating to systems and processes are accurate and passed promptly to the appropriate person / department
 - P7 Evaluate potential alternative administrative systems and processes against those currently used in your organisation and compare efficiency and cost-effectiveness
 - P8 Specify changes that update the systems and processes to meet changing requirements
 - P9 Seek feedback on recommendations for changes to administrative systems and processes from all relevant people
 - P10 Prepare reports and statistical data in line with your organisation's requirements
 - P11 Identify resourcing and staffing issues that impact on the performance of administrative systems, and take appropriate further action
 - P12 Comply with legal requirements, industry regulations, organisational policies and professional codes
 - P13 Comply with legal requirements, industry regulations, ethical standards, organisational policies and professional codes

FSPAMFPI07

Supervise mortgage and/or financial planning administrative systems and processes

Knowledge and understanding

You need to know and understand:

- K1 The purpose of monitoring within the administrative system and process
- K2 The role of effective supervision in maintaining quality work outputs
- K3 Specifications of organisational administrative systems and processes
- K4 Organisational guidelines for monitoring and supervision
- K5 Compliance regulations relating to systems and processes
- K6 Reporting lines in relation to systems and process improvement
- K7 Sources of technical assistance and support within the organisation
- K8 Your organisation's requirements relating to the application of codes, laws and regulatory requirements, including ethical standards and health and safety as they impact on your activities
- K9 The regulatory framework within which your organisation operates

FSPAMFPI07

Supervise mortgage and/or financial planning administrative systems and processes

Additional Information

Behaviours

1. You present information clearly and concisely
2. You look for more efficient ways of working
3. You respond quickly to potential problems
