

# Common questions about National 3 Practical Craft Skills

## **Do I need to use one of the unit assessment support packs to assess candidates?**

No. Centres can use these, adapt these, or develop their own instrument of assessment. If centres develop their own instrument of assessment, they must ensure that all assessment standards are addressed.

## **How long does evidence of unit assessment need to be retained?**

This timescale is unchanged for normal unit entry — unit evidence must be retained until the end of the academic session in which the assessment decisions were made. However, if unit entries are altered after 28 February 2019, the assessment evidence must be retained until 30 September 2019.
