

Checklist of Craft Experience — Bricklayer

Guidelines for candidate

This checklist is used to record your practical experiences in industry.

You will need to complete **six** CREWs over the course of your apprenticeship or **four** CREWs if you are an adult apprentice.

- ◆ Tick the checklist below when you have experienced an activity.
- ◆ Get your supervisor to sign confirming that you have been involved in this activity.
- ◆ You do not need to tick all boxes, just record the skills you have experienced.

Activity	✓	Supervisor's signature	Assessor's signature
