## Music: Composing Skills with a Scottish Context (Higher) Unit

**SCQF:** level 6 (6 SCQF credit points)

**Unit code:** H6NR 76

### Unit outline

The general aim of this Unit is to allow learners to experiment with using a range of complex compositional methods and music concepts in creative ways. Learners will analyse how music is created by musicians and the things which influence their work. They will use their understanding of music and the creative process, to inspire and influence their own creative choices and decisions.

On completion of the Unit, learners will be able to develop and create their own original music and analyse how other musicians create their music with some Scottish musical features.

Learners who complete this Unit will be able to:

- 1 Create original music

This Unit is an alternative mandatory Unit of the Higher Music Course, an optional Unit in the Scottish Studies Award at SCQF level 6 and is also available as a free-standing Unit. The Unit Specification should be read in conjunction with the *Unit Support Notes*, which provide advice and guidance on delivery, assessment approaches and development of skills for learning, skills for life and skills for work.

The *Course Assessment Specification* for the Higher Music Course gives further mandatory information on Course coverage for learners taking this Unit as part of the Higher Music Course.

# Development of skills for learning, skills for life and skills for work

It is expected that learners will develop broad, generic skills through this Unit. The skills that learners will be expected to improve on and develop through the Unit are based on SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work* and drawn from the main skills areas listed below. These must be built into the Unit where there are appropriate opportunities.

## **3 Health and wellbeing**

### 3.1 Personal learning

## **5 Thinking skills**

### 5.3 Applying

### 5.4 Analysing and evaluating

### 5.5 Creating

Amplification of these is given in SQA's *Skills Framework: Skills for Learning, Skills for Life and Skills for Work*. The level of these skills should be at the same SCQF level of the Unit and be consistent with the SCQF level descriptor. Further information on building in skills for learning, skills for life and skills for work is given in the *Unit Support Notes*.
