**For the attention of the person responsible for the delivery of the
HNC Working with Communities G7KM 15**

Dear Colleague

Revision of Group Award Framework

As you will be aware the units and framework of the HNC Working with Communities are under review by the Qualifications Development Team.

I have attached the proposed framework for your information. It is intended that this will replace the current framework and be available for delivery from August 2011. I would be grateful if you could send any comments you may have on this proposal to me by Friday 6th May at the latest.

You will see that the mandatory section is unchanged and the Group Award will continue with the current code G7KM 15.

The existing optional units have been revised and are now 1 credit at SCQF Level 7. The current optional units will have a lapse date of 31 July 2011 applied. The optional section of the framework has been expanded to offer a wider range of units.

I hope this information is helpful, please don't hesitate to contact me if you require any clarification.

Yours sincerely,

Laura Kincaid
