Dear [REDACTED]

We wish to offer the following qualifications at Glasgow Clyde College and require them to be credit and levelled at least SCQF L7

VTCT (iTEC) Diploma in Advanced Aesthetic Treatments BT4D5

If the qualifications were levelled, we would expect to have enrolments from January 2025: We would expect to register approximately 20 learners

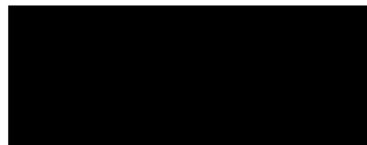

Or if from August 2025:

We would expect to register the approximately 20 learners in first year of delivery

We would expect to register the approximately 40 learners in second year of delivery

We would expect to register the approximately 40 learners in third year of delivery

Yours sincerely
