

# Annual Update for Higher National Qualifications

This report lists additions, revisions and withdrawals to SQA's portfolio of Higher National Qualifications. It covers Higher National units, Higher National Certificates, Higher National Diplomas and Professional Development Awards. The report is aimed at SQA Co-ordinators and practitioners in SQA approved centres to assist with planning for the academic session by providing:

- ◆ information about the currency of units and Group Awards
- ◆ early notification to staff delivering units that are being withdrawn
- ◆ information to help raise staff awareness of new units and Group Awards in their specialist areas.

The information in this report is also contained in the [Catalogue of Higher National Qualifications](#). The catalogue is updated regularly throughout the year and contains the most up-to-date information about available HN provision. Further information about new and revised HN units, Group Awards and PDAs can be found on the [HN section of SQA's website](#). The [Unit Search](#) allows you to search for HN units by keyword, title or code.

The [HN Notification of Changes to Unit Specifications and Frameworks](#) is also updated regularly. It shows:

- ◆ a summary of changes to units that warrant a new version number
- ◆ where a finish date has been removed or extended
- ◆ framework changes
- ◆ verification group changes
- ◆ qualifications that have been withdrawn.

This report has four sections:

<b>Section 1</b>	New: a list of Higher National Group Awards developed for implementation in <b>2020-2021</b> .
<b>Section 2</b>	New: a list of Higher National units developed for implementation in <b>2020-2021</b> .

<b>Section 4</b>	Withdrawal: a list of Higher National units withdrawn from SQA's Portfolio.

## Glossary of Terms

### Approval

This report includes information about the approval implications for new and revised Higher National Group Awards and units.

**'Approval extended'** means that a qualification is replacing an existing qualification and there are no significant changes that would affect a centre's ability to deliver it. Where centres were approved to offer the existing qualification, approval has been extended to them for the new one.

When approval for a qualification is **'devolvable'** to centres, this refers to centres that have gained devolved authority for approval. Colleges with devolved authority seeking approval for devolved, non-automatically approved qualifications must complete a Devolved Authority Qualification Approval Application Form and submit this to [asv@sqa.org.uk](mailto:asv@sqa.org.uk).
