Reason for sampling (please tick)

Routine	<input checked="" type="checkbox"/>	New or inexperienced assessor		New assessment	
New unit	<input type="checkbox"/>	Action from previous verification		Action from external verification	

Number of groups	1
Total number of candidates	19
Number of candidates sampled (identify candidates on CAR)	5
Correct unit specification used	Yes
Up-to-date UASP/assessment used	No
Assessor judgement of candidate evidence is fair and consistent	Yes

Comments/feedback to assessor

Please ensure that the most up to date UASP is used. This is version 1.0 — the most up-to-date is version 1.1 and has some minor changes to JET. These don't impact on Outcome 1 and 2.

For all candidates, except candidate 5, ASs were consistently applied. Please see actions below.

New National Qualifications — Internal Verification Toolkit

Action Required	By whom	By when	Action completed and confirmed by IV
Download up to date version of UASP for future use.	Assessor	10/05/2014	DM
Candidate 5 — The assessment requires the candidate to insert more than 1 graphic. This should be addressed with the candidate.	Assessor	15/05/14	
Check all candidate evidence to ensure this has not occurred with other candidates.	Assessor	15/05/14
