Total marks — 40

Read the following passage carefully, including the English sections, and then translate all the Latin sections into English.

A Tale of Two Mice

A country mouse invited a town mouse to dinner. The town mouse was not impressed.

olim in cavo habitabat rusticus mus. invitavit urbanum murem cenare secum. rusticus mus,
quamquam pauper erat, offerebat tantum cibum quantum poterat. tamen, urbanus mus cibum
vix tetigit. ‘hic cibus nimium simplex est,’ dixit urbanus mus. ‘tu debes vivere in oppido. melior
est quam in rure. veni ad cenam apud me.’

The town mouse treated the country mouse to a fancy dinner.

- 5 ambo ad oppidum festinaverunt. media nocte in domum locupletem subrepserunt. in magno
triclinio mures magnifice cenabant. cibus valde suavis erat. omnibus consumptis, rusticus mus
erat laetissimus, quod venter suus erat plenus.

After a nasty surprise, the country mouse decided to go back home.

- subito ingens strepitus totam domum excussit. canes, latrantes ferociter, in triclinium ruperunt.
mures tam perterriti erant ut ex domu current. tum rusticus mus dixit: ‘vale, amice! magnas
10 cenas nolo. ego constitui meum cavum parvulum esse satis. haec urbana vita est non mihi!’
