Introduction

Core Skills signposting indicates if there are opportunities within units to develop Core Skills in the workplace to a specified SCQF level. The signposting document should also acknowledge where there are no opportunities to develop Core Skills. This signposting can be used by providers and assessors to plan the development and assessment of Core Skills.

The five Core Skills are:

- Communication
- Information and Communication Technology
- Numeracy
- Problem Solving
- Working with Others

SSO may insert additional introductory text to contextualise the core skills signposting to their sector
