

# Parent and carer engagement with SQA

## 1.

SQA would like to hear from parents and carers on how they feel about the information they get about their children's qualifications.

Please complete this survey if you have a child, or children, sitting National Qualifications this year. This will only take around five minutes to complete and will help SQA refine how we communicate and engage with parents and carers in the future.

Your participation is appreciated. Thank you.

**Do you have a child, or children, sitting one or more SQA qualifications this year? \***

Yes

No

**Would you consider yourself well enough informed about how qualifications will be awarded this year?**

Yes

No

**Are there areas which you feel you need more information on?**

Yes

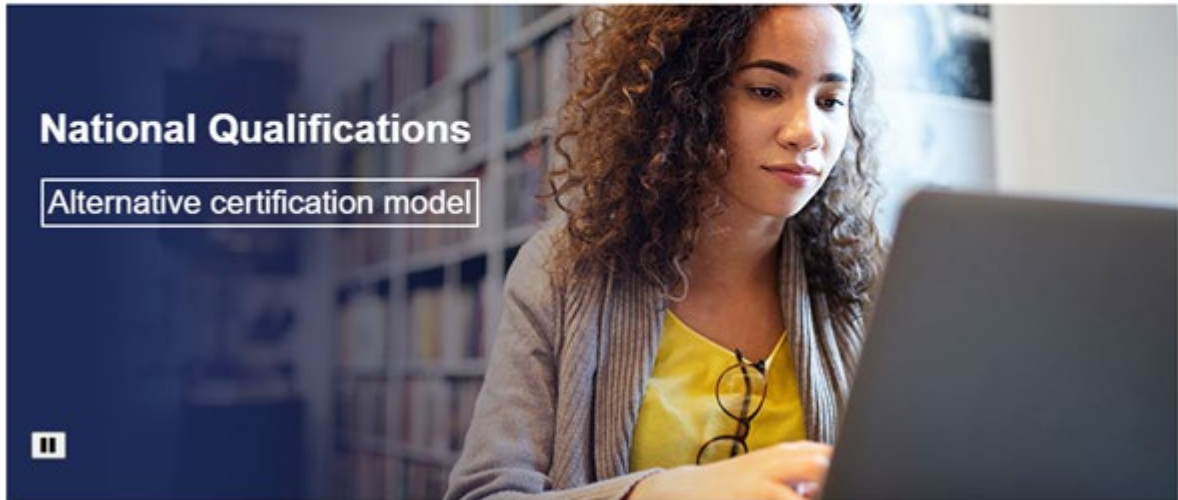

No

What would you like more information on?

Where do you generally get information about your child's or children's qualifications?

- From school
- SQA's website
- From child or children
- Social media
- Word of mouth/friends
- Other (please specify):

5.

Have you used SQA's website to access information recently?

- Yes
- No

How easy did you find accessing the information you required on SQA's website the last time you used it?

- Very difficult
- Fairly difficult
- Not that difficult
- Fairly easy
- Very easy

## 7.

SQA recently launched a 2021 blog for parents, carers and learners.

### About this blog

This blog aims to keep you informed on changes to assessment of SQA qualifications in 2020-21.

Are you aware of SQA's blog for parents, carers and learners?

- Yes
- No

Would you prefer to receive SQA updates...

- In a written blog post
- In a video
- In an audio podcast
- Other (please specify):

Do you follow SQA on...

- Twitter
- Facebook
- Instagram
- None of these

Do you have any other comments on how SQA should communicate and engage with parents and carers?
