Hi [REDACTED] just to confirm that the media briefing will be 30 mins.

And we can catch up around the timings for embargoed access to news release and summary for PA, BBC and STV. Got an addition to that tranche that we should discuss over Teams.

Spoken to [REDACTED] and [REDACTED] now and both are good for 12noon tomorrow if the team could send an email invite [REDACTED]

Might be [REDACTED] or [REDACTED] depending on availability so best sending to both TES addresses, please.

Thanks, Richard - will do. Will also add Martyn to the invite - and will it be you too, Richard?

Happy to be on that one if it works for you,
[John Booth](#)?

I will do the media one, [REDACTED]

Sorry, Fiona grabbed me straight after but briefing went well.

Was very low key tbh. Martyn did well
[John Booth](#) and no challenge re. the findings or the process that led us there
