Units and/or outcomes where conditions of assessment can or cannot be altered

- ◆ Legal Services Graded Unit 1 (F1H8 34)
- ◆ Legal Services Graded Unit 2 (F1H9 35)
- ◆ Legal Services Graded Unit 3 (H8X5 35)

Further information regarding the graded unit assessment for 2021-22 will be published in due course.

Closed-book and supervised assessments in units not listed above may be adapted for delivery in open-book conditions. Centres must ensure that revised assessment task(s) require the same level of demand as the original assessment. SQA ASPs with closed-book conditions must not be used for assessment in open-book conditions without prior approval from SQA.

A prior-verification service is available to support centres develop assessment instruments adapted from closed-book to open-book conditions at operationshmvq@sqa.org.uk.

Adaptations to evidence requirements to help manage assessment

Adaptations should not be made to evidence requirements other than to assessment conditions.

Rationale

Adaptations to assessment conditions will allow a proportionate response to the current Covid-19 restrictions that may prevent assessment taking place under controlled and supervised conditions.

Further adaptations to evidence requirements are not required due to the nature of the units contained within the course(s) and the potential for delivery of assessment via alternative means such as questions answered and submitted within a given time period, PowerPoint presentation with questions and answers, case studies, professional discussions, oral examinations or a report.
