

## Optional assessment guidance 2023–24

This guidance is **optional**. You can use this guidance or deliver and assess as outlined in the group award specification.

<b>Group award titles and codes:</b>	<a href="#">NC Technical Theatre (level 6) G98C 46</a> <a href="#">NPA Technical Theatre in Practice (level 6) G9KR 46</a>
--------------------------------------	---

The approach you take **must** meet the:

- ♦ full evidence requirements for graded units
- ♦ national standards

### Changes to conditions of assessment and/or evidence requirements

If candidates apply their skills to a specific performance, you can reduce the production time to a minimum of 20 minutes or have multiple performances of 20 minutes. This allows candidates to demonstrate their knowledge and skills.

#### [Professional Theatre in Context \(SCQF level 6\) F5L4 12](#)

##### **Outcome 3**

Candidates must attend live theatre performances or alternatively they can watch online professional performances, for example National Theatre Live.

#### [Technical Theatre in Context \(SCQF level 6\) F5L5 12](#)

##### **Outcome 4**

Candidates must attend live theatre performances or alternatively they can watch online professional performances, for example National Theatre Live.

You can find more information on [HNVQ delivery and assessment approaches for session 2023-24](#) on SQA's website.
