

National Course modification summary: People and Society

National 4: session 2021–22

National 4 course assessment 2021–22

Added value unit

The requirement to complete the added value unit is removed for session 2021–22. To achieve the overall course award for National 4 this session, candidates must pass all other contributing units in the National 4 course. You must submit a 'pass' result for the added value unit to ensure your candidates are certificated for the course award.

You are not required to gather evidence for the added value unit this session; however, it is important you give candidates opportunities to develop and demonstrate the skills, knowledge and understanding outlined in the National 4 added value unit specification, where possible.
