## Units and/or outcomes where conditions of assessment can or cannot be altered

For units which have closed-book conditions, centres can gather evidence for outcomes under open-book conditions if this is more practicable for 2020-21.

## Adaptations to evidence requirements to help manage assessment

There can be no adaptations to the evidence requirements of the units in this NPA.

## Rationale

The evidence requirements/performance evidence must be completed in full to meet the overall aims of the qualification and to ensure competence of skills.
